

HOW CAN I HELP KCCPTS?

KCCPTS is a nonprofit agency that continues its work only through the generous participation of the community. There are several ways you can learn more and lend a hand.

■ Contribute

KCCPTS always has an extensive wish-list of material needs. We invite and welcome financial contributions as well as in-kind contributions.

■ Volunteer

Throughout the year, **KCCPTS** has several events that could use your help, such as Community Transitions Solutions (CTS), Spring Into Summer, and the Summer Institute (SI). Visit our web site to find out more about these events.

■ Encourage others to participate

We value and need individuals from all areas of the community to join our efforts in promoting and understanding the importance of transition and re-entry. Now that you know more about the work KCCPTS provides to the community, we encourage you to get the word out!

■ Attend Monthly Partners Meeting

On the 3rd Friday of the month our group meets at the New Holly Learning Center, from 12:15 to 1:15 pm.

Our Vision

The vision of **KCCPTS** is build a community that takes into consideration the talents and contributions of ALL its members, including individuals who are in transition from prison and jail back to their community and families. We aspire to join those in their life changing and defining **TRANSITION** as they integrate into society through a holistic and comprehensive set of solutions and support, which will allow them to build and lead more self-sufficient and productive lives.

KCCPTS is a consortium of forty-three plus partners that work with justice involved individuals released from prison or jail that are transitioning to their families and community.

KCCPTS has been partnering with community organizations for over sixteen years. These partners are federal, tribal, state, county, city, faith, non-profits, community based and most importantly former consumers of the justice system.

KCCPTS is the founding leader and a model for other efforts in WA State and the country that need to build a local customized CPTS. In Washington State, CPTS groups are now established in Pierce County, Snohomish County, Spokane County and 5-South West Counties CPTS. Efforts are also underway in Kitsap County and Central Washington.

Our Mission

The mission of King County Community Partnership for Transition Solutions (**KCCPTS**) is to support the successful transition of justice involved adults who have earned their return to the community and their families through a supportive and caring volunteer network.

Our Values

Simply stated, our values are:

- Commitment
- Respect
- Compassion
- Authenticity
- Integrity
- Transparency

“Many thanks to CPTS, an amazing “2nd chance” project! The project has teamed up with great specialists and groups, working together to inspire and guide students in need to become better persons for themselves, families, communities, and country! On behalf of Tzu Chi Foundation, I thank you for having us be part of your team!”

Ruby Wang – Coordinator of Seattle Tzu Chi Foundation

“KCCPTS is a highly effective team due to the level of trust amongst partners. We are able to have crucial conversations and brainstorm public policy ideas to resolve challenges faced by the adults we serve who are transitioning to their families and communities.”
